TARİHÇEMİZ

Öztekfen Redüktör Motor San. Tic. A.Ş. Sayın Mehmet Büyükpışirici tarafından 1964 yılında kurulmuştur. Redüktör imalatının yanı sıra her tür ve marka elektrik motoru ve elektrik motoru malzemesi satışı ile Türk sanayiinde hizmet vermektedir.

Öztekfen Redüktör Motor San. Tic. A.Ş 1998 yılından itibaren 15.000 m2 alana sahip fabrikasında üretimine devam etmektedir.

"Müşteri ihtiyaç ve beklentilerini uygun fiyatlarla hatasız ve gecikmesiz biçimde karşılamak, mevzuata uymak ve firmamızın rekabet gücünü arttırarak büyüme ve gelişmesini sürekli kılmak. Çalışanlarımız, ürünlerimizin kalitesini ve faaliyetlerimizin etkinliğini arttırmak için ekip ruhu ile sürekli iyileştirme anlayışı içinde çaba harcar.

Kalite ve verimliliği arttırmak, maliyetleri düşürmek için teknolojik gelişmeleri izler, tedarikçilerimizle karşılıklı kazanca dayalı işbirliğine önem veririz. Personelimizin eğitimine önem vererek geleceğe yatırım yaparız.

Çevrenin korunmasındaki sorumluluklarımızı yerine getirmek topluma karşı sorumluluğumuzdur." Anlayışını kalite politikası olarak benimseyen Öztekfen Redüktör Motor San. Tic. A.Ş. Rw Tuv firması tarafından ISO 9001:2015 Kalite Yönetim Sistemi belgesi ile ödüllendirilmiştir.

Her türlü özel ve standart redüktör, varyatör, vibratör ihtiyacınıza cevap vermek bizleri memnun edecektir.

HISTORY

OZTEKFEN REDUCTOR MOTOR INDUSTRY and TRADE LTD was established in 1964 by Respectful Mehmet Buyukpişirici. Besides manufacturing gearbox, the company also sells all kinds of marks of electric motors and materials for electric motors as well. This is another kind of our service for our customers.

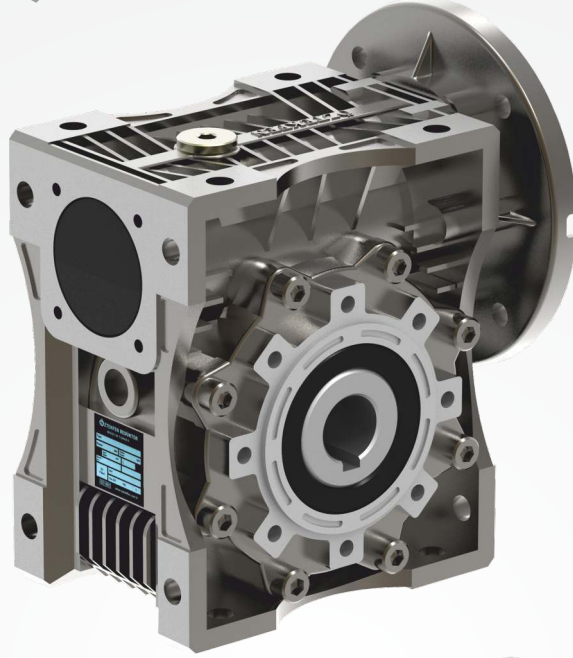

Oztekfen Reductor Motor Industry and Trade Ltd. has been manufacturing its productions in its covered plant 15.000 m2 since 1998.

Our target is to supply the customer's needs, to present productions to our customer in the direction of their hopes and wishes with the suitable prices and without delaying; to obey the regulations; to increase the power of competition; and to make it a continuous developed company.

Our personel work with the soul of educated team in an understanding of improvements in order to forward the quality and productivity and for the cost reduction. We give importance to the collaboration with our suppliers based on mutual acquisition. Education of out staff is very important for us, for our future investment We are conscious of our responsibilities againts societs for the protection of the enviroment. This is our quality policy.

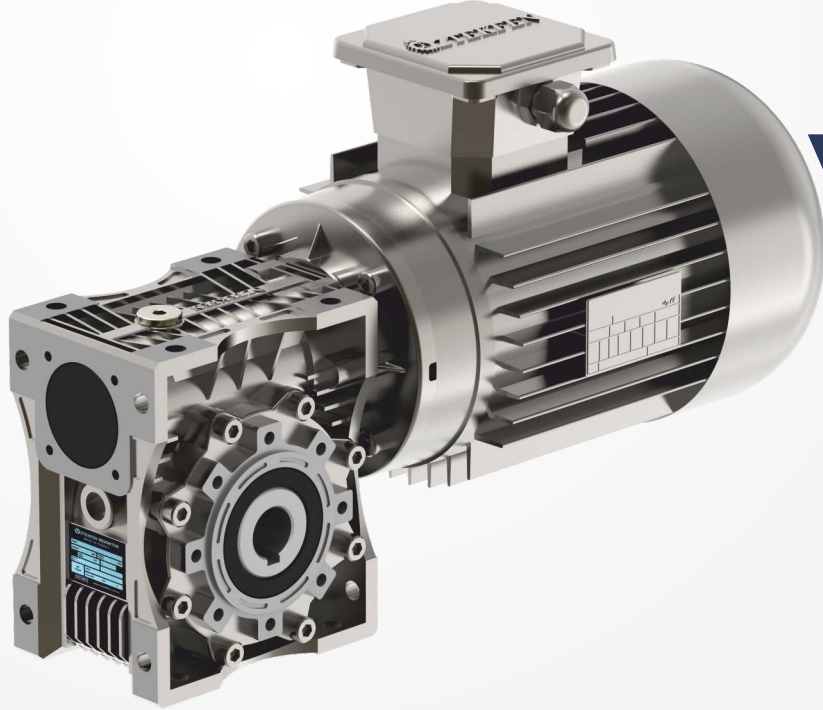

Oztekfen Reductor Motor Industry and Trade Ltd. was awarded by the firm Rw Tuv with the certificate of ISO 9001:2015 Quality Management System. We would be very appreciated by supplying your needs such as all kinds of proper and standard reducers, variators and vibrators.
